

## ECU Parking Made Easy: OpenSpace and ParkMobile Apps

ECU Parking and Transportation is pleased to announce the introduction of the OpenSpace Parking app (powered by Parking Logix) and ParkMobile, designed to improve the parking experience for students, faculty, staff and guests.

### OpenSpace Parking App: Real-Time Parking Availability

With the OpenSpace Parking app, you can easily find available parking spots before arriving on campus.

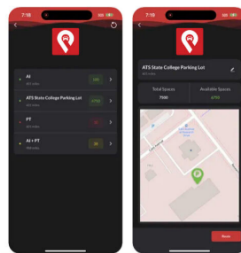

#### Key Features:

- **Real-Time Updates:** Get live space availability in the ECU parking deck and estimated availability in ECU lots.
- **User-Friendly Design:** A simple, intuitive interface compatible with Android and iOS devices.
- **Plan Your Arrival:** Check parking availability before arriving on campus.

#### How To Get Started:

1. Download the OpenSpace Parking app.
2. Use the provider code: **ecu1** (case-sensitive).

### ParkMobile: Mobile Payment for Garage Parking

We're also excited to announce that **ParkMobile** is now available in the garage!

#### How It Works:

1. **Download the ParkMobile app** (if you don't already have it).
2. **Enter the Garage:** Take a ticket as you enter.

3. **Enter Code 2032:** Use this code in the ParkMobile app.
4. **Scan Ticket:** Scan your ticket in the ParkMobile app.
5. **Exit:** Scan your ticket at the exit. There is no need to stop at the pay station or struggle at the gate!

### Smart Garage Display: Real-Time Parking Guidance

The entrance of the Main Campus Student Center parking deck features a real-time occupancy display. This system shows how many spaces are available, so you can decide where to park before entering the garage.

#### Why This Matters

- **Save Time and Reduce Stress:** Quickly find available parking and avoid unnecessary delays.
- **Reduce Congestion:** Real-time updates minimize traffic congestion and emissions.
- **Support Sustainability:** Optimizing parking supports ECU's commitment to a greener campus.

### Get Started Today!

Download the **OpenSpace Parking** app and **ParkMobile** now to streamline your parking experience at ECU. These tools are designed to assist students, faculty, staff and guests in finding and paying for parking with ease.
